

Managing and supervisory board diversity policy

At Novabase, we believe in equal opportunities and mutual respect regardless of ethnicity, gender, religion, beliefs, social background or sexual orientation. These differences tend to enhance the quality of decision-making processes through multiple perspectives, greater intellectual and cultural richness and a better representation of reality and of those involved.

For this reason, we also believe that diversity in our corporate boards helps to improve Novabase's performance and competitiveness. As such, we are committed to the following policy:

- Compliance with Law no. 62/2017 of 01 August, since gender diversity provides different management styles and complementary approaches;
- With regard to age, there must be a balance between experience and maturity and the youth and energy needed for the fast-paced innovation of our highly dynamic sector (information technologies);
- With regard to qualifications and education, in addition to areas associated with technology, various other areas of knowledge must also be represented, in view of the mounting importance of multidisciplinary in team performance.

Novabase will monitor this policy's implementation, in accordance with its corporate governance model, and will review it whenever deemed appropriate.
